Evening Lecture with William Micklem FBHS: The GO! Rules

BHS Scotland are delighted that William Micklem FBHS is presenting an educational evening on The GO! Rules.

William Micklem is recognised as one of the most innovative thinkers in the world of coaching. At both sports and education conferences he is in great demand as a speaker, and his structure for training young people, The GO! Rules, is increasingly being adopted for use in many different areas. His book, The Complete Horse Riding Manual, is the best selling manual in the world and introduced his highly praised concept of using 'Constants & Variables' for all riding. In addition his ground breaking Micklem Bridle is now in use throughout the world, including international riders Andrew Nicholson and Ludger Beerbaum, and is fully approved for all disciplines by the FEI. As well as finding Karen and David O'Connor's three great Olympic medallists, Biko, Custom Made and Gilt Edge, he also bred Mandiba, the World Breeding Federation event horse of the year for 2010, and High Kingdom, 5th at Saumur CCI 3 and 10th at Burghley CCI 4* in 2011. He is a Fellow of the British Horse Society, a Coaching Ireland Tutor and a columnist for The Chronicle of the Horse. www.WilliamMicklem.com*

"I found William's GO! Rules really captivate, and in simple steps capture the mindset and methodology that is needed to be a winner. I can't recommend them enough for anyone in any sport or walk of life. You will see that there really is something for everyone and like me you will leave inspired."
